

REFRIGERATION SALE

10% OFF Crystal Cold and Crosley

Through August 31st, 2005 the Crystal Cold CC15 and CC18 propane refrigerator-freezers as well as the Crosley WCC 12E 120v AC chest freezers are on sale. Shipping in the lower 48 states is still included with the purchase of a Crosley. We will get an exact freight quote for your Crystal Cold purchase.

NEW FREEZER: LARGER SIZE, LOWER COST

CROSLEY CHEST FREEZER

120 VOLT AC LOW POWER CHEST FREEZER

Can convert into ultra-low power chest REFRIGERATOR

The CROSLEY chest freezer is 12.2 cubic feet- 50% larger but uses only 10% more energy than last year's 8 cf model. And at a much lower price! Features includes 2 sliding baskets, defrost drain, white exterior color, door lock and interior light.

ONE year warranty on all parts and labor; 2-5 year parts and labor covered on sealed cooling system; 6-10 year coverage on compressor part.

ENERGY STAR listed model has foam insulation in 3.25 inch walls and 2.5 inch lid. Backwoods Solar tested the CROSLEY simultaneously beside our previous freezer model for several months. Freezer temperature was set to maximum +7 degrees on both units. Room temperature was held at 70-72 degrees F. Power consumption was 0.45 to 0.55 kilowatt-hours per day. 51" W x 25.2" D x 34.7" H

CANADIAN CUSTOMERS: Unfortunately our agreement with CROSLEY does NOT allow us to sell their product line, including this WCC12/E in Canada.

R-CROSLEY WCC12/E: Chest Freezer: **SALE PRICE: \$531** (Regularly \$590) with shipping INCLUDED in lower 48 states.

R-4E047: External thermostat turns this freezer into a chest refrigerator, no modification to freezer is required: \$75

Due to size, 30 day return privilege does not apply to this item
